1. Purpose:

The VET Quality Framework and Conditions of Registration require that RTOs protect fees paid in advance and have a fair and reasonable refund policy.

2. Definitions:

1. Enrolment Fee:

- a. Enrolment fee is a fee that accompanies the application/enrolment form to process student application. This fee is non-refundable.

2. Tuition Fee:

- a. Tuition Fees are the fees payable to KCBT for undertaking a course.
- b. KCBT does not require international students to pay more than 50 percent of the total tuition fees in advance before the commencement of the course for courses with a duration of more than 26 weeks. Students, or the person responsible for paying the tuition fees, can choose to pay more than 50 percent of their tuition fees before they start their course.

3. Course fees:

- a. The course Fee is the total fee of the course a student is enrolled in at KCBT.

4. Commencement Date:

- a. For the purpose of the policy, fee payment, and refund calculation, the Commencement date is considered to be as per the CoE date.

5. Course Completion Date;

- a. The date the student completed the course requirements, which may conclude at the end of classes, work-based training, and/or final assessment.

6. Non-Tuition fee includes:

- a. Enrolment Fee (*Non-Refundable*)
 - b. Overseas Student Health Cover (OSHC) and Accommodation placement fee
 - c. Resource fee (*Non-Refundable*)
 - d. Commitment fee (If applicable - *Non-Refundable*)
 - e. Commitment fee for the subsequent course (s) – if applicable (*Non-Refundable*)

- a. Refunds of any monies received by the KCBT on behalf of the student for services (Airport Pickup, Accommodation arrangement, Overseas Student Health Cover (OSHC), etc.) other than course fees must be requested from the company delivering the service, and students will be subject to that company's refund policy.
 - b. All accepted students are required to pay a non-refundable Resource fee.
 - c. All accepted students are required to pay a non-refundable commitment fee. The fee enables each student to confirm enrolment at KCBT to which he/she has been offered admission. For the additional course(s) enrolled, payment of a Commitment

fee for each subsequent course is also required.

The Commitment fee (includes Commitment fee for the subsequent course(s)) and accommodation placement fee (except unsuccessful Visa cases) are non-refundable if a student is offered a place at KCBT.

If a student withdraws or cancels before the start of the course, the commitment fee will be forfeited. If the commitment fee is less than the required cancellation fee, a student will be required to pay the balance.

- d. Fees (full or part payments) are required to be paid according to the schedule of fees and each student's agreement with KCBT before any study commences. Students can pay by electronic funds transfer, cash, bank cheque, or credit card. A receipt will be issued to students for all payments made to KCBT.

7. Principal Course

- a. The principal course of the study refers to the main course of study to be undertaken by an overseas student where a student visa has been issued for multiple courses of study. The principal course of study would normally be the final course of study where the overseas student arrives in Australia with a student visa that covers multiple courses.

8. Provider Default:

- a. Provider default occurs if KCBT fails to provide a course or ceases to provide a course to international students.

9. Student Default;

- a. A student default occurs when a student:
 - did not start on the agreed start date
 - withdraws from study
 - did not pay the amount required
 - misbehaves
 - breaches visa conditions.

10. TPS Director:

- a. The TPS Director is appointed by the Minister and oversees the operation of the TPS.

11. Tuition Protection Service (TPS):

- a. The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study.

12. Withdrawal:

- a. Cessation of registration in a course or unit, initiated by a student after enrolment.

13. Cost Recovery:

- a. Students will be required to pay KCBT on a cost-recovery basis any out of pocket expenses that occur as a result of receiving and processing program fees, such as credit card processing fees, a dishonored cheque fee, any penalty charged by the financial

institution due to incorrect details provided by the student or debt recovery fees.

14. Other Costs:

- a. Where a student's course duration is extended beyond the period of the visa, the student will be liable for student visa extension and related costs.

3. Policy

The purpose of this policy is to:

- Provide a clear and transparent process for a refund of tuition fees, where applicable (full or partial).
- Ensure KCBT fully discharges its responsibilities under all relevant legislation, including the Standards for RTOs 2015, Education Services for Overseas Students Legislation Amendment (Tuition Protection Service and Other Measures) Act 2012, ESOS Act, the National Code 2018, and the ELICOS Standards 2018.

4. Refund if Student Defaults

A Student Default occurs when:

- 4.1 The course starts at the location on the agreed start day, but the student does not start the course on that day (and has not previously withdrawn).
- 4.2 The student withdraws from the course at the location (either before or after the agreed start day); or
- 4.3 KCBT refuses to provide, or continue providing, the course to the student at the location because of one or more of the following events:
 - the student failed to pay an amount he or she was liable to pay the provider, directly or indirectly, in order to undertake the course;
 - the student breached a condition of his or her student visa; or
 - the student breached KCBT Code of Conduct (for example, disciplinary reasons and misbehavior).

KCBT will calculate the refund of any unspent tuition fees as outlined within Table 1 (ELICOS) or Table 2 (VET), as listed below.

And where the appeal process has not been sought by the student or the appeals process has been finalized, no refund for semester tuition fees and a refund of no more than 40% of the subsequent semester and full refund of any additional semester fees will apply.

5. Refund if Provider Defaults

A provider default when:

- 5.1 The course does not start on the agreed starting day; or
- 5.2 The course ceases to be provided at any time after it starts but before it is completed; or
- 5.3 The course is not provided in full to the student because a sanction has been imposed on the registered provider under Part 6 of the Educational Services for Overseas Students Act 2000;
- 5.4 And the student has not withdrawn before the default day.

In the unlikely event that KCBT is unable to deliver the course in full, KCBT within 14 days of default date, will offer the student either:

- Offer enrolment in an alternative course at no extra cost to the student, that is accepted by the student/s in writing; or
- refund of the unexpended pre-paid tuition fees.
- Refunds issued by KCBT in the event of a provider default will be paid to the student/s within 7 days of a written application being received.

If KCBT is unable to provide a refund or place the student in an alternative course the Tuition Protection Service (TPS) will assist the student to find suitable alternative course options for completing his/her studies in Australia or, if this is not possible, the student will be eligible for applying for a refund of the amount of any unspent pre-paid tuition fees he/she has paid to KCBT. These are any tuition fees student has already paid that are directly related to the course which the student has not yet received.

KCBT will calculate the refund of any unspent tuition fees as outlined within Table 1 (ELICOS) or Table 2 (VET), as listed below.

6. Refunds on Visa Refusals

The above refund policy does not apply where the student default is a result of the student being refused a student visa. Where a prospective student is refused a student visa and as a consequence fails to start on the agreed starting date; withdraws from the course, or fails to pay the amount owing to undertake the course, the refund policy will not apply.

In such circumstances, KCBT will calculate the student's refund in accordance with ESOS sub-regulation 3.19(2) which allows a provider to keep certain amounts e.g. administrative expenses and a portion of the fees (where a student has already commenced the course), etc.

When refunding students in cases of visa refusal, providers are required to give students a statement explaining how the calculation has been worked out. For your reference, a full copy of sub-regulation 3.19(2) of the ESOS Regulations is included below.

Extract from the Education Services for Overseas Students Regulations 2001

Refund Calculation Table 2 (VET)

Table 2– Refund Policy (VET)

A student who has paid fees for more than two semesters in advance and withdraws during a semester and more than six weeks before the commencement of the following semester would receive no refund of fees for the current semester, at least 70% of the following semester's fees and a full refund of fees paid for any subsequent semester; less cancellation fees.

In these cases, the student may wish to return to college at a later date, this requires approval by KCBT (the student must return within 1 year of enrolment date to complete the course).

8. Outstanding Debts

A student will not receive their qualification, statement of attainment, and record of results until the debt is paid.

In cases where the student has paid for part of the course, for example, 2 units of competency and they have completed those units as competent, then they will receive a statement of attainment for those units. For example, if the student completes their course on 1 June 20XX and has no outstanding debts then they will receive their qualifications by 30 June 20XX (within 30 days).

However, in the case where the student has outstanding debts, then the 30 days will not begin until they have cleared their debt.

Where a student has not paid the fees by specified due date, KCBT reserves the right to:

- a. remove student's access to library services, enrolment records and KCBT's online Student Portal (LMS)
- b. withhold completion certificates and academic transcripts
- c. extend fee payment deadlines or waive fees at the discretion of the management

KCBT reserves the right to cancel student enrolment due to non-payment of fees. Course fees or other charges overdue more than 14 days will be considered as non-payment of fees.

Where a student has an outstanding debt (including cancelled enrolments), KCBT may approach debt collection agencies and/or credit bureaus to recover outstanding debts, which may affect

the debtor's credit history. Any cost related to debt recovery is to be borne by the student.

9. Applying for Refund and Refund Payment

Refunds will be made within 28 days or 4 weeks of submission of a completed Application for course variation. Incomplete forms or applications without sufficient supporting documentation may cause delays in processing refunds. Verbal notifications to KCBT staff or education agents are not accepted.

The student must set out the reasons for the request and it should be accompanied by supporting documentation as appropriate.

The date the refund application is received by KCBT is the date used for the calculation of the refund for the 'unspent' portion of the student's tuition fees.

Refund and Cancellation applications will not be processed where the signature on the Course Variation Form and/or Refund Application Form does not match the student's signature as shown on other documents provided by the student for admission to KCBT.

The refund request must be forwarded to:

Administration - administration@kcbt.edu.au

9.1 Approved refunds will be paid:

- to the student; or
- a person nominated by the student.

9.2 No refunds will be paid to a third party (a person other than the student), unless directed by the student on the Application Form.

9.3 All refunds will be paid in Australian Dollars to the applicant's bank account unless otherwise requested by the student in writing.

9.4 If a currency other than Australian dollars is requested, the student will be expected to cover the exchange rate fees as charged by the bank of either party. This amount will be deducted from any refund. The exchange rate will be as per the rate offered on the day of transfer by KCBT's bank.

9.5 Refunds will be made within four (4) weeks/ 28 days after receipt of a written application, in accordance with the ESOS Act Section 47D (4).

9.6 Students will receive a clear Statement of Refunds explaining how the refund was calculated. Where a cancellation fee has been applied, students will receive a Statement of Cancellation clearly outlining why the cancellation fee has been applied.

In the event that a student wishes to contest the decision on a refund request, he or she would have access to KCBT existing Complaints and Appeals Policy and Procedures.
